

Natural Insurance™
**A New Naturopath
Malpractice Insurance Program**

You may have seen our ads in NDNR magazine - Sprague Israel Giles is excited to announce the launching of a new malpractice insurance program created exclusively for Naturopaths!

Why Buy Insurance Created for Another Discipline?

The liability insurance purchased by most Naturopathic Physicians was created for chiropractors, which does not cover some of your most common naturopathic modalities. That's why we worked with Naturopathic Physician Dan Labriola, ND, PEng of Northwest Natural Health to create a malpractice policy designed exclusively for NDs.

Below are just some of the areas that may be excluded from your current malpractice insurance policy but are covered under SIG's new **Natural Insurance** program:

- ✓ Non-FDA approved medications are covered
- ✓ Surgery is covered
- ✓ Acupuncture is covered
- ✓ Trigger point injections are covered
- ✓ Prolotherapy is covered
